CATALOGUE

ABOUT US

ANAND TRACTOR was established in 1989 by late **Shri Anand Jain** with a dream to provide high tech superior tractor parts. With an experience of over 30 years, we have pretty much attained a level to provide high quality tractor components. Our motto is to provide **satisfaction to our customers** which we have pretty much upheld. Here we not only deal but in fact build a relation with our customers.

We are known all across the country for supplying superior quality tractor components and determine to do so in near future.

PRODUCT RANGE

ANAND TRACTOR has a wide range of tractor parts for most models New Holand tractors. New Holand tractor parts provided by **ANAND TRACTOR** consists of all major parts including Transmission Gears and Shafts, Front Spindles (stub axles), Steering Shafts, Steering Gears, Front Wheel Hubs, Engine Gears, Connecting Rods, Crank Shafts, Cylinder Heads, Differential Gears, Rear Axle Shaft, Hydraulic Lift Parts, Hydraulic Pump and Parts.

TIMELY DELIVERY

We are empowered with a sound storage facility and a wide distribution network of clients that enable us to feed demand in the shortest possible time frame. The company is always welcome to queries and suggestions regarding the products from its clients.
